Call for Applications for the Incubation Program at Nutrihub!

Nutrihub is a Technology Business Incubator (TBI), sponsored by Department of Science and Technology, Govt. of India and hosted at ICAR – Indian Institute of Millets Research, Hyderabad. Nutrihub Incubation Program is designed to help Millets startups grow in a streamlined fashion by providing them the required technology and business support system.

We are delighted to invite applications for the second cohort of our Incubation Program under DST – TBI as our first cohort has successfully graduated at NutricerealsConclave, 2019 at HICC, Hyderabad during 29th and 30th November, 2019. The period of incubation will initially for one year. The incubation services include:

1. Technology backstopping
2. Mentoring
3. Training and capacity building
4. Providing infrastructure for production
5. Market facilitation
6. Promotional measures
7. Financial facilitation (upto 25 lakhs) through RKVY grain in-aid and more outlay through VC’s.

Interested individuals, start-ups and existing companies related to Nutricereal Sector who are willing to be physically incubated at Nutrihub can register using the link: https://forms.gle/5PwzGSEzyHUR6dAh9

Only shortlisted candidates will be called for Pitching on 18th January, 2020 (Saturday) at 10am at Nutrihub, ICAR – IIMR, Hyderabad.

CEO, Nutrihub
